Child's first language

The language normally used in your home and which your child would be accustomed to from birth.

It is often desirable in the course of our work to take children off the school site at short notice to enable them to study at first hand e.g. to visit the village library or go on a nature walk. The Local Education Authority's guidance is always strictly adhered to in these cases but it would be helpful if you would sign the permission slip below to allow your child to take part in such expeditions.

I give / do not give permission for my child to take part in activities off the school site.
