## **South Cambs School Sports Partnership –‘Giving *every* young person a sporting chance’**

Our school is part of the South Cambs School Sport Partnership. The Partnership aims to give every young person their sporting chance by developing high quality Physical Education and school sport for all young people; an ambition which lies at the heart of the legacy aims of the London 2012 Olympic and Paralympic Games.

Through the work of South Cambs School Sport Partnership our school benefits from a comprehensive programme of training opportunities for staff, more sports coaches to support the delivery of extra-curricular clubs and activities, regular opportunities for our children to take part in inter-school competitions and festivals, additional funding to deliver a wider range of extra curricular clubs, a top up programme to help our pupils meet the Key Stage 2 standards for swimming, links with local community clubs, play leader training for children in year 6, and support with delivering high quality PE.

Visit the Partnership website at [www.scssp.co.uk](http://www.scssp.co.uk) for more information, latest news updates, forthcoming events and courses, competition dates and a community sports clubs directory.
