

# Gardening Afternoon - Sunday, 30<sup>th</sup> November

## 1.30pm to 3.30pm

We are hoping to do a few jobs on our school garden before winter sets in!

As part of working for our Eco-Schools awards, we are continuing to develop the vegetable garden area in our grounds. It's the plot in front of the Reception classrooms.

Our goals on the 30<sup>th</sup> November will be to:

- dig over unplanted areas, please bring tools
- move the compost bins to nearer the kitchen,
- install raised beds,
- lay membrane between beds & cover with bark
- set base for shed
- erect shed (if ready)

It would really helpful to know who is coming on the day. If you could complete and return the slip below please.

Many thanks ☺
